On behalf of all the priests, brothers and seminarians, I wish to extend to you our humble thanks for coming to St. Clement's Shrine to celebrate with us the greatest expression of our faith. May our risen Lord be always by your side to bless you abundantly and be your loving guide.

We have many people to thank for the wonderful liturgies that we had during this Holy Week: our Music Director and St. Clement's choir for all their preparation, voices and music during the week. All the servers, lectors and homilist, our heartfelt thanks!

May you and all those you hold dear have a very blessed Easter,

Spiritual Thought

Just before my grandmother closed her eyes to eternal rest, she smiled. She was 91 years old, and it was the first time she was ever admitted to the hospital. It was a peaceful and grateful smile. It was the end of a life smile that said, "Lord, I had a wonderful day today. I saw all my kids, and they told me how much they love me, and how great I am. I was anointed by my grandson. I know that I will die today, but I am looking forward to being with You soon in heaven. That wonderful, hopeful smile at the end of life was made possible by our Risen Lord.

Every day is wonderful in a saved world. Enjoy each day even if you will have an eternity of them. Happy Easter.

We are looking for someone who can assist us with social media such as weekly updating of our web site and/or providing a live feed of our daily Mass. If anyone is interested, please e-mail me at petergrover@gmail.com

Wednesday, April 18th 7:00-8:00pm- Upper Room

Fr. Lanteri was one of the most active priests in northern Italy in the Eighteenth century. He preached retreats and wrote and edited books. He spent hours and hours in the confessional and visited the poor and the sick. In the midst of all this, he always remained a man of deep contemplation and study.

Join us for a simple introduction talk on our founder's life and cause for canonization. Dr. Cabrini Pak will share some stories of her travels throughout the American province that illustrate how Lanterian spirituality lives on in the Oblates in their work, and in the people they serve.
