MOTHER MARY

*Pray for us, that we may give also your "YES!"*

MOST BLESSED WOMAN

*Beloved daughter of God Most High,  
Cherished spouse of the Holy Spirit,  
Adored mother of the Son,*

*Is this not the estate of ALL women  
To be loved fully in every dimension of our being?*

*Pray for us who fail in our "Yes"*

*That we may know the benevolent gaze of the Father,  
That we may welcome angels without fear,  
Accepting without doubt the messages they bring;  
That we may bring the Holy Spirit to bear  
In our very being;  
So that we may ever nurture, carry, love, and protect  
All that is most holy and pure  
With all the tenderness of a mother.*

AMEN
